

About Us

Quinns is a family business started 50 years ago by husband and wife team, David and Julie Quinn , shortly after their own union

With only one vehicle, a Humber Hawk, for those of you who may be interested, based at their home, choice was not an issue.

A little along the lines of Henry Ford, "You can have any car you like as long as it's this one!"

Times have long since changed, thankfully, and we along with them.

Over the years as the family grew, so too did the business. We are now able to offer the widest selection of dedicated wedding vehicles in the Wirral area.

As the longest established wedding car specialists in the area, we have many couples whose parent's wedding cars we also provided over 30 years ago.

We seem to be becoming a family tradition!
