

20hp Vintage Rolls Royce Limousine (Seats 5)

Presented in eye catching yellow and contrasting black, our 1928 vintage illustrates, beautifully, the decadance of a bygone era.

Steeped in history, she has recently been re-upholstered(using traditional methods) and fitted with heating so we no longer have to send hot water bottles and blankets for our newlyweds.

Thus combining a sense of tradition without forfeiting the comfort we expect from modern vehicles. At nearly 80 years old, she is no spring chicken but can still muster a respectable 45mph.
