

Phantom Rolls Royce Limousine (Seats 6)

In midnight blue, this 1972 vehicle exemplifies regal luxury. This car illustrates perfectly the tradition of Rolls Royce with a contemporary edge.

It has recently received a complete rebuild to the exceptional standard it deserves, including the final touches of sumptuous carpeting, traditional woollen upholstery and walnut cocktail cabinet.

All of this adds to providing the atmosphere of decadence and a journey fit for a Queen, quite literally as it is the car of choice for HRH Elizabeth II.

How better to announce your arrival than in this thoroughly impressive steed.
